

## SAMPLE SUBMISSION FORMS

Submit a sample to Rosssdales Laboratories, Newmarket by selecting the relevant form from the options detailed below and completing it using the following instructions, which can be seen also on our website under [submit a sample](#):

- Please complete all fields on the form as accurately as possible, indicating clearly the tests required.
- Download and print the completed form to send your completed form with your sample.
- For routine samples, please use our [pre-paid labels](#).
- Please note: for large samples/samples weighing more than 750g please contact the laboratory before using a prepaid address label.
- For urgent samples we recommend using Royal Mail's Special Delivery Service (labels can be supplied - contact the laboratory to arrange).
- Please use appropriate packaging for the type of sample and follow the [packaging guidelines](#) for diagnostic specimens.
